

How to use Apowersoft screen recorder

1. Go to <https://www.apowersoft.com/free-online-screen-recorder>
2. Click start recording
3. Select just screen
4. Click start recording then continue
5. Select entire screen and share
6. At the end of the experiment, click stop recording
7. Click share, chose passwordless log in, and put in your email and press get verification
8. Once the verification code is received, put it in, it should then upload the file and give you a link to the video
9. Copy that link and paste it into the relevant survey question
